

## Reservation system

### Product

<b>Name</b>	 Reservation system
<b>Editor</b>	FBM IT Service
<b>Type</b>	Online calendar
<b>Description</b>	Reservation system of rooms and FBM shared resources
<b>Access</b>	<a href="#">Link</a>

The reservation system allows you to book rooms and shared resources (setups, animal facilities, etc.) available in your department.

If you want to add, delete or change any resource or equipment in the reservation system, please send your request to [supportfbm@unil.ch](mailto:supportfbm@unil.ch) specifying:

- Building,
- Local number,
- Resource type (setup, room, etc.),
- Resource name,
- Resource description,
- Access restrictions to apply.
