

Reservation system

Product

Name	 Reservation system
Editor	FBM IT Service
Type	Online calendar
Description	Reservation system of rooms and FBM shared resources
Access	Link

The reservation system allows you to book rooms and shared resources (setups, animal facilities, etc.) available in your department.

If you want to add, delete or change any resource or equipment in the reservation system, please send your request to supportfbm@unil.ch specifying:

- Building,
- Local number,
- Resource type (setup, room, etc.),
- Resource name,
- Resource description,
- Access restrictions to apply.
