

## FBM applications

### Description

The FBM IT Service provides web applications to the FBM community, which can facilitate the daily work. Those services are available only on request and after authentication.

### FBM booking calendar

The booking calendar allows users to **book rooms and shared resources** (setups, animal facilities, etc.) available in their department. If you want to add, delete or change any resource or equipment in the booking calendar, please send your request to [supportfbm@unil.ch](mailto:supportfbm@unil.ch).

You can refer to the documentation of the booking calendar [here](#).

### Laptops and accessories loan

The loan catalogue allows users **to consult the IT resources** (computer, wireless presenter, adapter, charger, etc.) available in their department and to apply for a loan to the FBM IT Service.

### FBM Setups

The FBM setup management application is a **catalogue of scientific instruments** available in the FBM departments and that is managed by instrument owners.

### LimeSurvey

On request, the FBM IT Service provides the LimeSurvey application that allows users **to create online surveys**. On justified request and linked to a research project, this service may exceptionally be open to students for a limited period of time. If you want to open a new LimeSurvey account, please complete the following [online request survey](#).

You can refer to the documentation of LimeSurvey [here](#).

### IAFBM

IAFBM is the **administrative intranet of the FBM**. The access and the use of this application is limited to [FBM young academics](#) which is in charge of the dossiers of the people who are part of the teaching staff or want to start an academic career at the FBM.

### Arrivals

The Arrivals application is used by the secretariats to **inform the local IT managers about the arrivals and departures of collaborator in the FBM departments**. The access and the use of this application is limited to the people responsible for the HR in the departments.

### Contact

If you have any question about those services, please contact the [IT support of the FBM](#).
