Remote support

During the telework period imposed by UNIL, please address your support requests to supportfbm@unil.ch. Your IT manager will help you remotely using VNC connect. Learn more...

Visioconference

Cisco Webex Meetings is a software provided by UNIL that allows you to organize videoconferences and online meetings. It can be downloaded from the software distribution catalogue of the IT Center of UNIL. Learn more...

Online teaching

In collaboration with the Teaching Support Centre, the Medical Pedagogy Unit helps and provides FBM teachers tools to ensure the good functioning of online learning. Learn more...

macOS Catalina

In order to ensure the compatibility of the software installed on your computer, we recommend that you do not update the operating system from your Mac to Catalina. Learn more...
New IT infrastructure
The Scientific Computing and Research Support Unit of the IT Center of UNIL (Ci) offers new IT resources on storage facilities and high performance computing. Please visit the Ci's website for all the necessary information. Learn more...

Data management
Who owns your professional data? How to fill my Data management Plan? Is there any software to facilitate laboratory and inventory management at the FBM? You will find the answers to these questions in our research data management FAQ. Learn more...
