2018 Annual Report
For the purpose of transparency, the Si publishes a report on its activities in 2018. The document is intended for all users who wish to know more about the missions, the work done and the future projects of the FBM IT Service. Learn more...

Workshop about research data management
The BIUM (Bibliothèque Universitaire de Médecine) provided workshops about Data Management Plan (DMP) and Open Data. This training is open to all FBM researchers (UNIL and CHUV). Learn more...

Data management
Who owns your professional data? How to fill my Data management Plan? Is there any software to facilitate laboratory and inventory management at the FBM? You will find the answers to these questions in our research data management FAQ. Learn more...

Spice up your research
Within the framework of “Spice up your research” workshop series, UNIRIS and Graduate Campus offer various training regarding Open Access, Data Management Plan and research data management. Learn more...
