SWITCH

- In the account options, go to **Authentication data** and click on the **pencil** to set your new SWITCHdrive password.

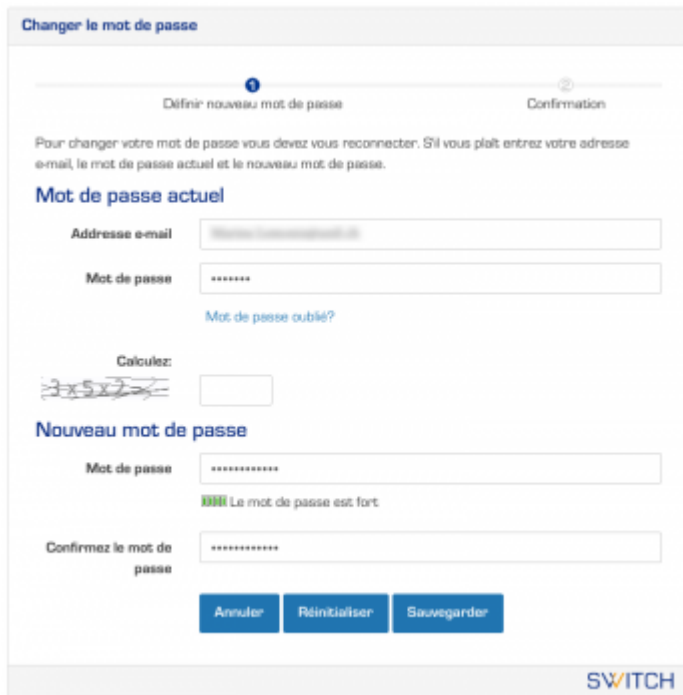

### Données d'authentification

Mot de passe .....

- In the new window, change your password and click on **Save**.

## Programme informatique de la FBM

### How to change your SWITCHdrive password

The screenshot shows a web form titled "Changer le mot de passe" (Change password). It is divided into two steps: "Définir nouveau mot de passe" (Define new password) and "Confirmation".

Instructions: "Pour changer votre mot de passe vous devez vous reconnecter. Si vous plaît entrez votre adresse e-mail, le mot de passe actuel et le nouveau mot de passe." (To change your password you must reconnect. Please enter your email address, the current password and the new password.)

**Mot de passe actuel** (Current password):

- Adresse e-mail: [input field]
- Mot de passe: [input field with asterisks]
- Link: "Mot de passe oublié?" (Forgot password?)
- Calculateur (Calculator): [input field]

**Nouveau mot de passe** (New password):

- Mot de passe: [input field with asterisks]
- Feedback: "Le mot de passe est fort" (The password is strong) with a green bar.
- Confirmez le mot de passe (Confirm the password): [input field with asterisks]

Buttons: "Annuler" (Cancel), "Réinitialiser" (Reset), "Sauvegarder" (Save).

SWITCH logo at the bottom right.

- You get an e-mail from [eduid-support@switch.ch](mailto:eduid-support@switch.ch) which confirm that your password has been changed.
