

SWITCHfilesender: sending a voucher to an external user

Product

	Name
System	Windows/Mac
Application	SWITCHfilesender

Description

SWITCHfilesender allows you to send a voucher to external user, that way he can use the service as he was an UNIL user.

This voucher is valid for a single use of the service and allows the recipient to use SWITCHfilesender to send a large file to anybody (you or somebody else). Nevertheless, you remain responsible for the contents of his message and his file (see the general conditions of use).

Here is the procedure to send the voucher.

The screenshot shows the SWITCHfilesender web interface. At the top, there's a 'Menu' button and a 'Max. upload 50 GB / File' indicator. Below that, a 'Bienvenue' message is visible. The main section is titled 'Inviter une personne' and contains a form with the following elements:

- A text input field for the recipient's email address.
- A 'De:' field with the email address 'marine.lemonis@unil.ch'.
- A subject line: 'Invitation à charger un document via SWITCHfilesender'.
- A message body containing: 'Bonjour, Voici le lien qui vous permettra de m'envoyer votre document. Meilleures salutations,'.
- A 'Date d'expiration' field set to '31/05/2017'.
- An 'Envoyer ticket' button.
- A 'Tickets actifs' section with the message: 'Il n'y a pas de tickets disponibles pour l'instant.'
- A footer note: 'To share files permanently, use SWITCHdrive'.

- Click on **Send the voucher.**
- Your recipient get an e-mail with a voucher link to SWITCHfilesender.
